2019 EVENT FORMAT

DevOpsDays is a worldwide series of technical conferences covering topics of software development, IT infrastructure operations, and the intersection between them. Topics include automation, testing, security, and organizational culture.

Talks

Four 30 min presentations each morning set the tone for the day, plus tech talks in the afternoon. Topics range from DevOps for databases to managing with empathy. Talks are live transcribed, recorded, and shared with the community.

Ignites & Tech Talks

Ten 5 minute talks. After lunch, five short talks with with 20 slides that auto-advance. Funny, poignant, insightful, and just right. All Ignites are recorded, live transcribed, and shared.

Open Spaces

Prepare to be surprised. Participants suggest, self-organize, and lead these break-out style meetings immediately after the Ignite talks. The organizers facilitate the rooms and timing to fit each suggestion, but the content is completely participant-driven.

All attendees, speakers, sponsors, and volunteers at our conference are required to follow the DevOps Days Code of Conduct (also available online at: www.devopsdays.org/events/2019-chicago/conduct).

2019 SPONSOR FAQS

Can I sponsor a talk?

Absolutely not. DevOpsDays does not sell conference speaking slots; sponsors' employees are welcome to submit talk proposals.

Can I get a discount for sponsoring multiple DevOpsDays?

Sorry, no. DevOpsDays events are independently organized, so no multi-city sponsorships are available.

We're working against budget schedules. Can I commit to sponsorship now but pay closer to the event?

Yes. But, we cannot list sponsors on the website or grant any other benefits until your sponsorship fees are paid in full. Because sponsorships are all first-come, first-served we cannot guarantee availability.

Can I get a list of attendee contact information?

No. We cannot send out emails on behalf of sponsors and will not share contact information or lists of attendees.

Sponsors will have logos in all conference emails to participants.

What are the attendee demographics?

DevOpsDays conferences typically attract software, operations, infosec, QA, and build engineers, as well as architects and technology managers. From voluntary attendee data, 22% had VP or director level titles, 17% had senior level titles, and over 85% had technical roles.

Who organizes DevOpsDays Chicago?

Your DevOpsDays Chicago organizers are Chicago-based technology folks who volunteer their time for this event.

2019 SPONSOR FAQS

Do we get lead scanners?

No. This is not your typical conference. The booth is a place to interact with people during breaks. Sponsors benefit most when they actively participate.

You are responsible for collecting any information in person. We recommend a raffle and a business card draw. We set aside time on Day 2 to announce raffle winners.

Who should staff our booth?

If your goal is recruiting, consider sending engineering managers. If you are a vendor, send sales engineers or technical marketing. All sponsor attendees must have their own badges. DevOpsDays are about quality, not quantity - it's about active participation!

Can I hand out swag?

Yes! Stickers and t-shirts are always popular. Remember, everything must fit behind your booth space and adhere to the Code of Conduct. We will send out shipping information one month before the event.

What is the booth setup?

Booths are typically tables with a black tablecloth and a power strip. Silver sponsors get half of the table and 1 chair. Gold sponsors get a full table and 2 chairs. We recommend bringing/shipping: signage, handouts, pop-up banners, giveaways, and displays. Everything you bring **must** fit behind the booth.

How are booths assigned?

Booths are assigned accordingly to sponsor level, prioritized by when payment is received. We will try to accommodate any requests.

We're in! What's next?

You cannot receive any sponsor benefits before submitting payment. After payment is arranged, send us your logo (hi-res, preferably .eps or .ai) for the website and promotions.

One month before the event you will receive a sponsor letter with details about: dates and timing, shipping information, tickets for employees, venue logistics, booth parameters, floor plans, booth assignments, Gold sponsor pitch schedules, a/v equipment rentals, set up timing, and teardown timing.
